1) In connection with rural rationing, sanction was accorded for the appointment of the following additional temporary staff in the Taluk and District offices in the scale till the end of December 1946:—

D.T.I was informed (Vide Food Levy's letter no Ld. 7745/A 219-45-27 dt 13.3.1947) that the proposal is not acceptable to Government and that if the idea is to keep on the above Rural rationing staff for work regarding better distribution of pulses and jaggery a case should be made out in respect of each district showing how the staff already employed is insufficient.

3) The D.T. has, in the circumstances explained, in his present letters dated 11.4.47 and 17.4.47, solicited sanction for the following proposals to continue the rural rationing staff:-

(i) Continuance of the existing clerks at Rs 60/- p.m. for each District office upto 30.6.47.

(ii) approval for the action taken by the Deputy Commissioner, Bangalore district, to continue the following staff from January 1947 to 30th June 47:- in anticipation of sanction:-

1 clerk at Rs. 40/- for each of the Taluk offices in Bangalore dist. (⊗)

1 clerk at Rs 60/- for the District office (referred to in (i) above)

4) The D.C. Hassan also reported to have Continued the extra clerk on Rs 60/- in the District office from January 1947

5) The D.C. Tumkur is reported to be taking action to discontinue the staff employed in Taluk Offices from 1.4.47.

6) The D.T.S. has added that in regard to the Continuance of the extra clerks on Rs. 40/- each p.m in the Taluk offices in the other districts the Reports of the Deputy Commissioners are awaited.

7) The proposal involves an expenditure of about Rs 3960/ as under:-

8) Though the present proposal of the D.T.S may involve an expenditure as noted above, the expenditure is actually much more if the other Dy. Commrs have also Continued the staff of the District Office or of the Taluk Offices. The Dy. Commrs of Tumkur, Hassan and Bangalore Districts have reported that they have Continued in anticipation of Sanction the temporary

9) The ~~present~~ proposals of the DCs are however confined at present, firstly to the continuance of the post of temporary clerk on Rs 60/- in each of the District Offices till the end of June '47 and, secondly, to the continuance of both the temporary clerk in the District Office and the temporary clerks in Taluk Offices in regard to the Bangalore District. The reasons for the continuance are given in the two papers under disposal.

10) The proposals are for consideration in consultation with the Finl. Secy and with reference to the observations at para 10 in the file placed below (SD No 4810/5-263). "A

Subject: Continuance of staff sanctioned for Rural Rationing work to Jaggery and Pulses distribution.

-***-

With reference to your letter No. S.D.7745/A.219-45-27 dated the 13th March 1947, on the above subject, I have the honour to state that the Deputy Commissioner, Tumkur District has stated in his letter No.F.C.F.941/46-47 dated the 24th March 1947, that action has been taken to discontinue from 1/4/47 the staff attached to Taluk Offices, and that it is found absolutely necessary to continue the services of the clerk attached to the District Office to attend to the additional correspondence regarding Jaggery and Pulses and also Government lorries. The Deputy Commissioner, Hassan District, has stated that the work of Rural Rationing Cannot be considered as being completed by now, and that the issuing of fresh cards, and cancellation of old ones is a continuous process as long as Rationing is in force, and that the work in the Taluk and District Offices has increased considerably owing to the procurement and distribution of Pulses and Jaggery. In these circumstances the Deputy Commissioner has stated that he has continued the one clerk on Rs.60/- attached to his office and requests approval for the same. It is also stated that although in this District, the clerks on Rs.40/- each sanctioned to Taluk Offices, were not employed till now, a necessity is now felt to employ them. In these circumstances, he is of opinion, that the entire Rural Rationing Staff might be continued. Such representations have not so far been received from

p.t.o.

other Districts.

2. I agree with the recommendations of the Deputy Commissione of the two districts that the clerk on Rs.60/- sanctioned to the District Office cannot be disbanded at this stage, as not only the Rural Rationing work has to be continued, but also the work relating to the procurement and distribution of pulses and jaggery which has increased the correspondence in the District Offices considerably. Regarding the staff for Taluk Offices, the reports of the other Deputy Commissioners will be awaited.

3. In these circumstances, I request you kindly to obtain the sanction of Government to the continuance of the clerk on Rs.60/- sanctioned for Rural Rationing work to each District Office up to 30th June 1947.

Subject: Continuance of Rural Rationing Staff.

Adverting to your Memo No.Bl.C.5779/46-47 dated 19th March 1947, forwarding copy of letter No.SD.7745-A-219-46-27 dated 13-3-47 from the Secretary to Government, Food Department, Bangalore on the above subject, I have the honour to state as follows:-

Government in their order No.SD.800-11 dated 29-7-46, sanctioned Rural Rationing Staff - one clerk on Rs.60/- to the Food Assistant and one clerk on Rs.40/- to each Taluk office (food branch) in connection with the Rural Rationing. In his letter under advertance, the Secretary has stated that there is no necessity to continue this staff any more on the ground that Rural Rationing work should have been perfected and completed by this time. I have to state Rural Rationing cannot be perfected and completed once for all. Every year the position is different depending entirely on seasonal conditions and good harvesting. The same cards issued to the landless and deficit growers in one year cannot be continued in the next year. Fresh cards have to be issued once again cancelling the previous year's cards that were issued. This involves enumeration of self-sufficient and deficit families in the rural parts and then writing up fresh cards. The work in connection with the Rural Rationing is a continuous one so long as there is food Rationing in force.

Besides the Rural Rationing of the essential foodgrains there is now the problem of jaggery and pulses distribution in both the urban and rural areas. The work in the District and Taluk offices (Food Branch) in this connection is heavy and multifarious. The present staff is already over worked. The receipt of pulses from outside and their proper distribution to Taluks and merchants has to be attended. Registers showing the production and the distribution by the growers and to the retail merchants respectively have to be main-

maintained. Therefore, I consider that there is absolute necessity for the continuance of Rural Rationing Staff ordered by Government in their order of July 1946.

In this connection I may bring to your kind information that no extra Rural Rationing Staff sanctioned by Government has been appointed in the Taluks of this District except the one clerk on Rs.60/- sanctioned to the Food Assistant. This year it may be quite necessary to appoint the extra staff in the Taluk Offices also. Pending further instructions, I have continued this one clerk to the Food Assistant.

Once again I wish to state that this extra staff sanctioned is absolutely necessary for reasons stated above.

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Hassan District.
